*September 30<sup>th</sup> 2021*

Dear The Woodlands Secondary School Students & Families,

Each year, our school starts off with a certain number of classes and teachers—these numbers are based on estimates made the previous Spring about how many students will be enrolled during the next school year. In September, once we know our actual enrolment numbers, the Peel District School Board holds a Re-organization Day to ensure class sizes meet the Ministry of Education's requirements.

This year, re-organization will take place on *October 4<sup>th</sup> 2021* and students may have their timetables adjusted during *September 30<sup>th</sup> to October 4<sup>th</sup>* as part of this process. During the re-organization process some students may move to another class in order to balance class sizes so that we can adhere to class size requirements. In some cases, it may be necessary to move teachers to a new school.

As much as possible, attempts will be made to minimize impact on student timetables. Our focus continues to be offering courses that students require to graduate with an Ontario Secondary School Diploma or Ontario Secondary School Certificate. Pathway requirements, i.e. courses students need for post-secondary programs, are also a priority. School staff will work with your teen to ensure a smooth transition to their new schedule.

If your teen is affected by the change, you will receive a letter with details following re-organization.

Thank you for your support and understanding. As always, please contact us at the school if you have any questions.

Sincerely,

*Omar Zia  
Principal (Acting)
